RAMears CONSULTING

𝒫rogram Designs

𝒯o admit consumers of the Regional Center to your facility you must first become a vendor of one of 21 Regional Centers throughout California. The vendor application consists of a few simple forms and a *Program Design* appropriate to the level of services you want to provide. Program Designs are a narrative description of the program and services you will offer, along with various attachments. *Program Designs* are not the same as a licensing Part B document or Plan of Operation.

𝒯he completion of a *Program Design* will take most people many weeks, even months, of tedious work. Once completed you will have no way of knowing what problems may be present in your work; problems that can delay the approval of your application and the granting of vendorization.

𝒮ince 2004, we have completed some 1,500 Level 2, 3 and 4 *Program Designs*. Based on your answers to a simple questionnaire, RA Mears Consulting can complete your *Level 2, 3 or 4 Program Design* to meet Title 17 and Regional Center requirements, including a program narrative, description of consumer services, activities and resources that are specific to your area, a description of instructional methods and assessment procedures, a sample staff schedule, House Rules and Grievance Procedure, Individual Service Plans (ISPs) and data collection formats, and Quarterly or Semi-Annual Report, etc. A Level 4 Program Design will also require sample documentation that you will obtain from your behavior or nurse consultant.

You may call (619) 249-8671 *cell* or (619) 460-1143 *office* to make your down payment by credit card over the phone. Either Robert or Don can help. If you prefer, you can send payment by mail using the details on our Contact page.

Note: See our *Products & Services Price List* and *Policies* for full details. You are accountable for knowing the contents of your *Program Design* and for providing the services therein. To this end, RA Mears Consulting can provide an overview of any documentation provided to you, as needed.

We cannot review any portion of a *Program Design* that you have prepared yourself. The document is too long and complex, usually taking regional center personnel weeks or months to review. It is more efficient for us to prepare a *Program Design* using our own templates.

Program Designs will be completed and sent by email or regular mail, as agreed on. All *Program Designs* delivered electronically will be in non-modifiable pdf format and *will not* be provided in a modifiable format (e.g., DOC, TXT). A mailed *Program Design* will require a $25 processing fee.

Our *Program Designs* are **guaranteed**. RA Mears Consulting will make any revisions to *our work* required by the regional center for *initial* licensure without additional charge to you.
